Policy Upgrades and Amendments

Amendments

The following policy amendments only apply if they have been selected by **you**, the appropriate premium has been paid and they are shown on **your Policy Schedule**.

Excess Eliminator

Under most sections of this policy **you** have to pay the first part of any claim. This is called an excess. This will apply to each person claiming and to each incident and to each section of the policy **you** claim under. This amount is shown under each section where it applies.

If **you** pay an extra premium, **your** policy can include an excess waiver (excess eliminator) which will remove all excesses.

This option can include cover for Sections A (Cancellation), B1 (Cutting your trip short) and B2 (Additional Emergency Expenses) dependent on the level of cover **you** select. Additional coverage of this upgrade is dependent on **your** cover level selected. For example if **you**

! Important Information

***Excess** - When claiming under certain sections listed in the table above, you have to pay the first part of a claim. An excess is applied per section per person and if multiple events occur during a trip an excess will be applied for each section per event per person.

You may have chosen to waive the excess (Excess Eliminator) see the Excesses section on page 3. This will be shown on **your Policy Schedule**.

GENERAL CONDITIONS

The following conditions apply to all sections of this insurance.

1. **You** must tell **us** (Tick Travel Insurance) if **you** know about anything which may affect **our** decision to accept **your** insurance (for example, if **you** are planning to take part in a dangerous activity while **you** are on holiday). If **you** are not sure whether to tell **us**, let **us** know anyway.
2. **You** must take all reasonable steps to avoid or reduce any loss which may mean that **you** have to make a claim under this insurance.
3. **You** must give **our** claims department all the documents and execute all authorities that are needed to deal with any claim. **You** will be responsible for the costs involved in doing this. For example, in the event of a cancellation claim **you** will need to supply proof that **you** were unable to travel, such as a medical certificate completed by **your** doctor if this cancellation was due to a medical condition.
4. **You** must help **us** get back any money that **we** have paid, from other insurers or any other person, by giving **us** all the details **we** need and by filling in any forms **we** require. If **we** agree to cover **your** loss, **you** must let **us** take over and pursue any legal right of recovery **you** may have and **you** must co-operate with **us** in any recovery action.
5. If **you** try to make a fraudulent claim or if any fraudulent means or devices are used when trying to make a claim, this policy may be cancelled and the premium **you** have paid may be forfeited. Any benefits already paid to **you** must be repaid in full.
6. **You** must agree to have a medical examination if **we** ask. If **you** die, **we** are entitled to a post-mortem examination.
7. **You** must agree to have a blood alcohol and/or breath analysis where local laws permit, where it is necessary for **us** to assess your claim.
8. **You** must pay **us** back any amounts that **we** have paid to **you** which are not covered by the insurance.
9. After a claim has been settled, any salvage **you** have sent into **our** claims department will become **our** property.
10. If **you** require hospitalisation, emergency transportation services, or to return to Australia and **you** want **us** to pay, then **you** must contact Tick Travel Insurance as soon as possible and obtain approval before arrangements are made. **You** must also follow any advice or instruction given to **you** by **us**, Tick Travel Insurance or MAPFRE ASSISTANCE.
11. **We** will not cover **you** for loss or an event or liability to the extent that it is covered by any other insurance policy, medical or health scheme or Act of Parliament or any benefit which **we** are legally prohibited to pay by law. **We** will however pay the difference between what is payable under that other insurance policy, medical or health scheme or the relevant Act of Parliament and what **you** would have been entitled to recover under this policy to the extent permitted by law.
