Policy Upgrades and Amendments

Amendments

The following policy amendments only apply if they have been selected by **you**, the appropriate premium has been paid and they are shown on **your policy schedule**.

Excess

If **your** claim is paid, under most sections of this policy, an excess is deducted from any payment we make to **you**. The standard excess on all policies is \$200. This will apply to each person claiming and to each incident and to each section of the policy you claim under.

If **you** pay an extra premium, **your** policy can include an excess waiver (excess eliminator) which will remove all excesses (except for increased medical excesses listed in the Table of covered sports & activities on pages 43-46).

Upgrades

Natural disaster cover

Important: To include unexpected **natural disaster** as a claimable event, **you** must have purchased this option and the option must be shown on **your policy schedule**.

This option can include cover for Sections A (Cancellation), C1 (Cutting **your trip** short) and C2 (Additional emergency expenses) dependent on the level of cover **you** select.

Medical cover due to any **natural disaster** is automatically included in all International policies without purchasing this option. Additional coverage of this upgrade is dependent on **your** cover level selected. For example if **you** select a Basic policy, this additional cover will not extend to include cover for Sections A and C1.

As per General Exclusion 4 there is no cover for costs incurred relating to a **natural disaster** if an event is already known prior to purchasing a policy.

Winter sports cover

Important: To have cover for any winter sport activity **you** must have purchased this option and the option must be shown on **your policy schedule**.

Please see page 47 for a full list of **winter sports** activities which are covered by this policy. If **you** have any questions, please send your enquiries to us via e-mail to info@tickinsurance.com.au

No cover is available unless before the activity takes place, **we** have agreed in writing to cover it. Terms and conditions will apply and additional premium may be required.

In addition to the standard policy benefits **you** will be covered for benefits under Sections N1 to N6 inclusive.

If **you** do not choose to purchase the **Winter sports** cover upgrade by paying the applicable premium then **we** will not cover any claim directly or indirectly relating to **winter sports**.

Duty to take reasonable care not to make a misrepresentation

Under the Insurance Contracts Act 1984 (Cth) (Act), you have a duty to take reasonable care not to make a misrepresentation to **us**.

This duty applies whenever **you** enter into, renew, extend or vary this contract of insurance.

In all cases, **we** will ask **you** questions that are relevant to our decision to insure **you** and on what terms.

It is important that **you** understand **you** are answering our questions in this way for **yourself** and anyone else that **you** want to be covered by the contract.

When **you** answer the questions **you** must give a true and accurate account of matters. **Your** response should tell us everything that **you** know about the question because **your** response is

relevant to whether **we** offer **you** insurance and the terms **we** offer **you**.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

Whether or not **you** took reasonable care not to make a misrepresentation will be determined with regard to all the relevant circumstances.

If **we** know, or ought to know about **your** particular characteristics or circumstances, **we** will consider these to determine if **you** took reasonable care not to make a misrepresentation to **us**.

We may consider the following matters to determine if **you** took reasonable care not to make a misrepresentation to **us**:

- the type of insurance contract in question, and its target market
- explanatory material or publicity produced or authorised by **us**
- how clear, and how specific, the questions **we** asked were
- how clearly **we** communicated to **you** the importance of answering those questions and the possible consequences of failing to do so
- whether or not an agent/insurance broker was acting for **you**, or
- whether the contract was a new contract or was being renewed, extended, varied or reinstated.

You are not to be taken to have made a misrepresentation merely because **you**:

- failed to answer a question, or
- gave an obviously incomplete or irrelevant answer to a question.

If **you** do not take reasonable care when answering **our** questions and the result is **you** do make a misrepresentation to **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to take reasonable care not to make a misrepresentation to **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

You may have chosen to waive the excess (Excess Eliminator) see the Excesses section on page 4. This will be shown on **your policy schedule**.

GENERAL CONDITIONS

The following conditions apply to all sections of this insurance.

1. **You** must answer all questions that **we** or Europ Assistance ask **you** truthfully and accurately. Inaccurate answers when taking out this policy may result in **us** either declining to provide cover, cancelling **your** insurance cover or declining or reducing a claim payment.
2. **You** must take all reasonable steps to avoid, reduce or recover, any loss which may mean that **you** have to make a claim under this insurance.
3. **You** must report to the police or (where applicable) the responsible transport provider and obtain a written report from them in respect of loss or theft or any item within 72 hours of discovering the loss or theft, or as soon as reasonably practicable. **You** must provide this to **us** with your claim together with **proof of ownership** of the lost or stolen item(s).
4. **You** must give **our** claims department all the documents and execute all authorities that are reasonably necessary to assess any claim. Any documents must be in English or be accompanied by an official translation. **You** will be responsible for the costs involved in doing this. For example, in the event of a cancellation claim **you** will need to supply receipts and proof that **you** were unable to travel, such as a medical certificate completed by **your** doctor if this cancellation was due to a medical condition.
5. **You** must provide reasonable assistance and cooperation to **us** in the assessment or investigation of **your** claim.
6. **You** must help **us** get back any money that **we** have paid, from other insurers or any other person, by giving **us** all the details we may reasonably need and by filling in any forms **we** may reasonably require. If **we** agree to cover **your** loss, **you** must let us take over and pursue any legal right of recovery **you** may have and **you** must provide reasonable co-operation in any recovery action.
7. If **you** try to make a fraudulent claim or if any fraudulent means or devices are used when trying to make a claim, this policy may be cancelled and the premium **you** have paid may be forfeited. Any benefits already paid to **you** must be repaid in full.
8. **You** must agree to have a medical examination if it is reasonably necessary to assess **your** claim. If you die, **we** are entitled to a post-mortem examination.
9. **You** must agree to have a blood alcohol and/or breath analysis where local laws permit, where it is reasonably necessary for **us** to assess **your** claim.
10. **You** must pay **us** back any amounts that **we** have paid to **you** which are not covered by the insurance.
11. After a claim has been settled, any salvage **you** have sent into **our** claims department will become **our** property.
12. If **you** require hospitalisation or emergency transportation services and **you** want us to pay, then **you** must contact Europ Assistance as soon as possible and obtain approval before arrangements are made where this is reasonably practicable. **You** must also follow any advice or instruction given to **you** by **us** or Europ Assistance.
13. **We** will not cover **you** for loss or an event or liability to the extent that it is covered by any other insurance policy, medical or health scheme or Act of Parliament or any benefit which **we** are legally prohibited to pay by law. **We** will however pay the difference between what is payable under that other insurance policy, medical or health scheme or the relevant Act of Parliament and what **you** would have been entitled to recover under this policy to the extent permitted by law.

SECTIONS OF COVER

SECTION A – CANCELLING YOUR TRIP BEFORE DEPARTURE

What you are covered for

If **you** have to cancel **your** trip because of one of the reasons listed below **we** will pay up to the amount shown in the Table of benefits for:

- travel and accommodation expenses and pre-paid meal expenses which **you** have paid or have agreed to pay under a contract and which **you** cannot reasonably recover from any sources;
- the cost of excursions, tours and activities which **you** have paid for and which **you** cannot reasonably recover from any sources;
- the cost of visas which **you** have paid for and which **you** cannot reasonably recover from any sources; and
- the travel agent's cancellation fee up to 10% of the amount paid to the travel agent or \$1,500 for an individual policy or \$3,000 for a couple/family policy, whichever is the lesser, when full monies have been paid or the maximum amount of deposit has been paid at the time of cancellation. We will not pay any travel agent's cancellation fees above the level of commission and/or service fees normally earned by the agent had the trip not been cancelled.

Alternatively, if all conditions under Section A are met, and no exclusion are applicable, **we** will cover the expense for rescheduling **your trip** prior to departure provided the cost of rescheduling does not exceed the cost of cancellation. This benefit can only be claimed once per policy per **insured person** and **you** must return to Australia before **your end date**.

We will pay a benefit under this Section if the cancellation of **your trip** is necessary and unavoidable as a result of:

- a. **your** unforeseeable death, injury, or illness.
- b. the unforeseeable death, injury, or illness of **your relative, business associate** or **travelling companion** who is resident in Australia and who is in Australia at the time the event occurs.
- c. **you** have to go to court to be a witness or be on a jury (but not as an expert witness).
- d. there is an accident involving a vehicle **you** were planning to travel in, which happens within seven days before the date **you** planned to leave and means you cannot use the vehicle. This only applies to self-drive holidays.
- e. **you** are a member of the armed forces, police, fire, nursing or ambulance services and **you** have to stay in Australia because of an emergency or you are posted overseas unexpectedly.
- f. It is necessary for **you** to stay in Australia after a fire, storm, flood or burglary at **your** home or place of business within 48 hours before the date **you** planned to leave. We will need a written statement from a relevant public authority confirming the reason and necessity.
- g. **you** cannot travel because a **natural disaster** has caused **your** travel service provider to cancel **your** pre-paid service and no alternative is provided. (This is only applicable if **you** have purchased the **Natural disaster** cover option and the option is shown on **your policy schedule**. This does not include those which were known at the time of purchasing this insurance.)
- h. If **you** become pregnant after we have sold **you** this policy, and **you** will be more than 30 weeks pregnant (or 20 weeks if **you** are expecting more than one baby) at the start of, or during, **your** trip. Or, **your** doctor advises that **you** are not fit to travel because you are suffering from **complications of pregnancy and childbirth**.

- i. **we** will also pay the cancellation cost of tuition or course fees up to \$2,000 if the sole purpose of **your** trip is to attend that course and that course is cancelled due to circumstances outside **your** control.

In addition to General Exclusions, under Section A, you are not covered for:

1. The excess as shown in the Table of benefits.
2. Any change of plans because **you** or **your travelling companion** change **your** mind and decide not to proceed with **your** original **trip**, or choose not to travel.
